This package provides students with everything they need to complete a Novel Study on Bridge to Terabithia. A complete unit - just print and teach!!!

All activities are classroom tested and include creative handouts, information sheets, detailed instructions, templates, and rubrics!

53 PAGES OF RESOURCES!!!
This creative and engaging package includes the following:

- **Reading and Comprehension Strategy Notes**: A page of notes on the different types of Reading and Comprehension strategies is included. This package includes a complete teacher version and a fill in the blank student version.

- **Question Stems**: A full page of information on the three different levels of questions is included. Level one questions ask students to think and search. These type of questions can be answered by looking directly at the text. Level two questions ask students to go beyond answers they find in the text, and asks them to think about what the author wants them to believe. Level three questions ask students to examine their own thinking. Answers for these types of questions cannot be found in the text, and relate to directly to the students own thinking. Different question stem examples are provided for each level of questioning. Students refer back to this page of information throughout the unit, as they are asked to create and answer their own questions using each of the different question levels.
- **Reading and Comprehension Strategy Based Questions:** A collection of handouts relating to each chapter of the novel. These handouts include a variety of Reading Strategy and Comprehension Strategy based questions, and require students to really THINK about the reading. Students are asked to make predictions, inferences, and connections (text to self, text to world, and text to text). Students are asked to visualize, through words and illustrations. Students are asked to analyze quotes from the novel, and evaluate the novel as a whole. Activities relating to summarizing, synthesizing, and questioning are also included.

- **Full Set of Chapter Comprehension Questions:** A full set of comprehension questions for each chapter is included. *DETAILED ANSWER KEY INCLUDED!*

- **Individual Section Summaries:** Students use these handouts to summarize each of the 4 book sections. An excellent review tool!

- **Character Descriptions and Illustrations:** Students use this section of the package to illustrate and describe each of the characters in the novel. A great way to keep track of all the different characters, and the pages look beautiful once completed!
