	Molly Wassmuth	

The Pledge of Allegiance was said.

***Board Meeting Minutes***

**Recommendation for Approval (Motion 24-012)** Mr. Bode moved to approve the following meeting minutes:

1. Regular Meeting, August 9, 2023
2. Special Meeting, August 18, 2023

Mr. Gusé seconded the motion.

Roll Call: Mr. Bode, aye; Mrs. Gephart, aye; Mr. Gusé, aye; Mrs. Matney, aye; Ms. Wassmuth, aye.

Motion carried 5-0.

***Recognition of Guests and Hearing of the Public***

Mr. Jeff Wahl read the following statement:

At least four students who would be in fifth grade in Grandview this year are not. The families still live here as they have for many years. They still pay taxes to the school, fund the building projects, but starting this school year, four boys are either homeschooling or sending or going to private school that were at Grandview last year. I know of other similar situations at Stevenson and with older students as well.

Do you know how many kids reside in the district but have chosen to attend another school or homeschool? How many families are opting out of what Grandview is providing? Is that number increasing? Do you know? Do you care? Do you know why? Do you care why? Are you simply content to collect the taxes and not be very concerned beyond that? Is it because the school is hostile to religious beliefs held by many families?

Is it because the highest capacity students here don't receive the level of academic rigor they deserve? Is it because IEP students aren't given meaningful support? Is it because, in general, the students aren't being prepared for college as they should be? Is it because there are concerns there may not be a football program by the time these kids are old enough to play? Is it because politics is mixed too deeply into education and school priorities? Is it because school leadership spent the COVID period making decision after decision that hurt kids, kids in their care, to frankly cover the rear ends of adults in charge? Do you know? Do you care?

My student is one of those and I can tell you one thing about the reasoning of the parents with whom I've talked about this, and it's that not one of them, not a single one of them thought about staying because we have nice buildings. When they were weighing what's best for my child, what's best for my child's education, nice facilities don't even fit into the mix. Nice buildings filled with bad ideas are not actually very nice. Do you know? Do you care? If you decide you do care, this is probably not going to be a topic where you can rely on your normal sources of information to educate you. Do you know? Do you care?

***Superintendent's Report***

**Teaching and Learning**

It is important at the beginning of every school year to renew and reinforce a sense of welcome, wonder, and belonging for our students and staff. Many of our events and activities in these first few weeks speak to this very important intention.

At Stevenson Elementary, staff and PTO members are working together to create a "Wellness Week" that will culminate in their Move-a-Thon Day on September 29. Each day of the week will be dedicated to one of the following:

financial wellness, social-emotional wellness, digital wellness, and nutritional wellness/fitness. Walking Wednesdays are in full swing as well!

In addition, Instructional Coach Jessica Fields has been working with the Stevenson Elementary PTO to plan an October 5 Science Day. This is an opportunity for our students to participate in hands-on activities where they can see how science/STEAM impacts us every day.

In order to align with the new state computer science standards, Larson Middle School has expanded our opportunities for 6th and 7th grade students with new courses in computer science and computational thinking. Fourth and fifth graders are learning computer science concepts and lessons within the science classrooms.

LMS is bringing back the ROX (Ruling Our Experiences) for all girls in Grade 6. ROX is a 20-week program that focuses on character building, self-esteem, etc. It also provides progress monitoring tools and resources for families.

We have added two additional clubs to LMS, an American Sign Language Club and a Yarn Club, which raises our overall number of middle school clubs to 12. This is the greatest number of clubs we have had at this level in the past eight years.

Within the first weeks of school at GHHS, there are close to 20 clubs off and running. We have also had student interest in creating two new clubs.

Homecoming and Spirit Week 2023 will be Monday, September 25th through Friday, September 29<sup>th</sup>, and is chock full of activities including:

- Powder Puff Football Game: Monday, September 25th, 8:30 p.m.
- Hall Decorating: Thursday, September 28th, 3-10 PM
- Pep Rally: Friday, September 29th, 2:30 PM
- Homecoming Parade: Friday, September 29th, 6:30 PM
- Homecoming Football Game: Friday, September 29th, 7:30 PM
- Homecoming Dance: Saturday, September 30th, 8-10 PM

### **District Wide**

Cash sales at athletics events will begin October 1 in accordance with recently passed HB 33.

We will have a district-wide late start on Monday, September 25.

The district 2023-2024 School Year Calendar can be found here: <https://4.files.edl.io/3fb6/04/13/23/002816-74f47cdb-3cbe-4525-b7d5-acb0629ae633.pdf>

### **Community Engagement**

Parents, residents, and community members are invited to attend Coffee & Conversation with Supt. Andy Culp from 8:30 a.m. to 9:30 a.m. on Friday, September 22, 2023. The coffees take place in the District Administration Collaboration Area located on the second floor of Larson Middle School. The following dates have also been scheduled: Friday, November 17, 2023; Thursday, February 16, 2024; and Friday, April 19, 2024.

The Vocal Music/Theatre Arts Boosters Coffee House Show will be Sunday, October 1, from 3 to 6 p.m. in the LMS Commons. General Admission is \$5 and features the Sixth Grade Choir, Mixed Choir (Grades 7-8), Concert Choir, and The Grandview Singers.

Congratulations to the Bobcat Boosters on yet another successful Ox Roast! Their efforts, enthusiasm, and support of our students, staff, and community are always appreciated!

As well, continued gratitude to the Grandview Heights Marble Cliff Education Foundation for the generous support of the LMS Discovery Space. On August 19, the GHMCEF hosted their official dedication ceremony.

## **Construction**

### **Core Team Report**

Mr. Bode and Mrs. Gephart reported the Core Team continues to meet on a less frequent basis to monitor and discuss facility-related topics that may or may not directly relate to the construction project, but in some cases are items that arisen as a result of the project. Topics discussed recently include:

- Replacement of railings along the Fairview Avenue high school gym entrance;

- Drinking fountain to be installed in the fitness center;
- Exterior water spigots to be installed;
- Possible solutions to provide shade on the LMS playground while the newly planted trees grow;
- TV's to be installed in the high school cafeteria area; and
- Plans are in process to develop an interior design master plan for the new 4-12 facility.

4. Bobcat Booster Athletic Passes

Recommend the Board approve the following resolution:

Whereas, the Board of Education recognizes the support of the Bobcat Boosters to students in the Grandview Heights Schools;

Whereas, the Board of Education acknowledges the generous financial contributions made by the Bobcat Boosters to the School District's student activity funds and athletic programs;

Now, therefore, be it resolved that the Board of Education authorizes the issuance of up to 72 annual athletic event passes to qualifying Bobcat Club members by the Bobcat Boosters.

5. Transfer Class of 2023 Balance to Student Council

Recommend the Board approve a transfer of \$660.13 from the Class of 2023 Fund (200-9133) to the Student Council Fund (200-9111).

6. Sportworks Design

Recommend the Board approve Amendment 1 ("Amendment 1") to the Architect Agreement with Sportworks Design, a division of The Kleingers Group, Inc., ("Sportworks Design") for Additional Services for the District's Grandview Heights High School Track Replacement Project (the "Project").

Rationale:

1. The Board previously executed an Agreement with Sportworks Design to provide design and related construction administration services for the Project.
2. Since approval and execution of the Agreement, additional survey services have become necessary for the Project related to the City of Columbus storm water easement around the underground detention system ("Additional Services").
3. Sportworks Design submitted a proposal for the Additional Services in the total amount of \$2,135.00.
4. The Superintendent recommends approval of the Additional Services in the amount of \$2,135.00 and requests authority to negotiate and execute Amendment 1, incorporating the Additional Services into the Agreement.

The Board of Education resolves as follows:

1. The Board approves Amendment No. 1 to the Agreement for the Project in the total amount of \$2,135.00.
2. The Board authorizes the Superintendent to execute Amendment 1 on behalf of the Board.
  
7. Student Education Transportation Agreement  
Recommend the Board approve an Education Transportation Agreement for services for special education students.
  
8. CPI Training  
Recommend the Board approve an agreement with the Educational Service Center of Central Ohio for CPI (Crisis Prevention and Intervention) training.
